This letter is written on behalf of Mr. Ted Kingsley. Ted is an outstanding individual, having participated in the internship program during the 2004 National Western Stock Show, Rodeo & Horse Show. Ted worked within the Horse Show Department both in the entry office and in our stalling office.

Ted performed all duties asked of him in a very professional manner. He has shown himself to be a reliable and responsible person who is very concerned about the work he performs. I would recommend Ted Kingsley for any position.

Sincerely,

Brad Ettleman  
Horse Show Manager
