TO WHOM IT MAY CONCERN

Re: Ted Kingsley

I am acquainted with Ted through the FRC Equine Program. Over the last 5 months I employed Ted to complete work at my house such as landscaping, clean up work, etc. Ted is punctual and pays attention to detail. He is very concerned about doing a good job and takes pride in his work. In addition, he is easy to get along with and takes direction well. I would highly recommend Ted to any potential employer.

Sincerely,

Sheila Nash
